

MONTENEGRO

GENDERTHON COVID19

WORKING AROUND THE CLOCK

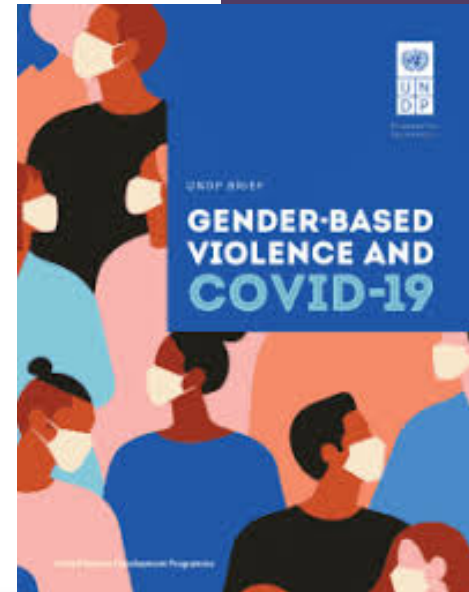

In a very short time, the COVID -19 pandemic has produced devastating effects on the labour market.

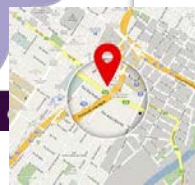

Montenegrin society is example of deeply pervasive unequal distribution of new economic value,

in which the most vulnerable segments of its population will be hardest hit by the dire economic consequences of COVID-19

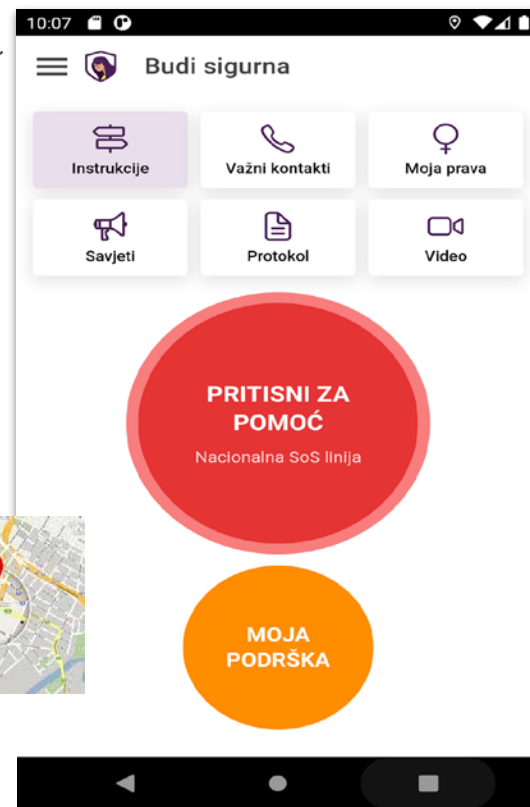

Support to the country Addressing GBV

1. Networked 12 womens groups in the country service providers for victims of GBV and developed networking mechanisms in time of crises
2. National AP for specialised service supports to victims of GBV
3. Ammended Code of Conduct on GBV cases in Covid 19 context
4. Mobile APP BE SAFE
5. Awareness raising

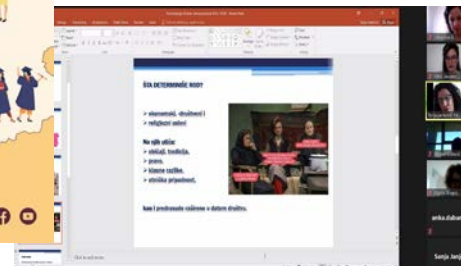

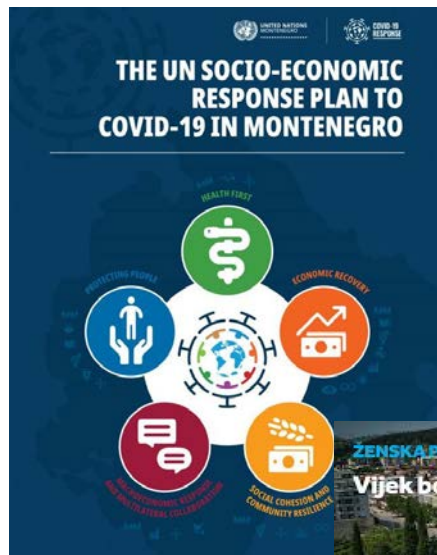

**BUDI
SIGURNA**
Aplikacija za
prijavu nasilja

Support to the country Policy Framework

1. Gender Rapid Assessment with UNW
2. Womens Contribution to the Economy of Montenegro
3. Gender mains treaming for policy makers – intensive trainings
4. Awreness raising for policy developers
5. [GENDER MAP](#) of Montenegro

WAY FORWARD

New National Strategy for GE under development

Political reform – and gender equality work

Gender Mainstreaming in the institutions

Increased agency for gender equality

Thank you !
