Draft Strategic Framework on Violence against Women 2019 – 2022

Jurgita Pečiūrienė
Violence against women is rooted in women’s unequal status in society reflected in the unbalanced distribution of social, political and economic power among women and men in society.
International framework: need for a holistic approach and comparable reporting

Key international and EU instruments on Violence against Women

- Anti-Trafficking Directive 2011/36/EU
- Istanbul Convention CETS No. 210
- Victims’ Rights Directive 2012/29/EU
