

What's new at EIGE?

NEW report on gender budgeting

We found out that...

- **Less than 1% of the EU's Structural and Investment Funds are set aside for gender equality**
- **Proposals for the post-2020 budget – the EU's Multiannual Financial Framework (MFF) – display an even lower level of ambition.**
- **Information about gender equality, gender-specific targets and indicators are missing**

How to boost gender equality post-2020?

- **Make gender equality a priority**
- **Ensure gender mainstreaming is applied**
- **Budgetary targets for gender equality**
- **Track financing for gender equality**

What's next for gender budgeting?

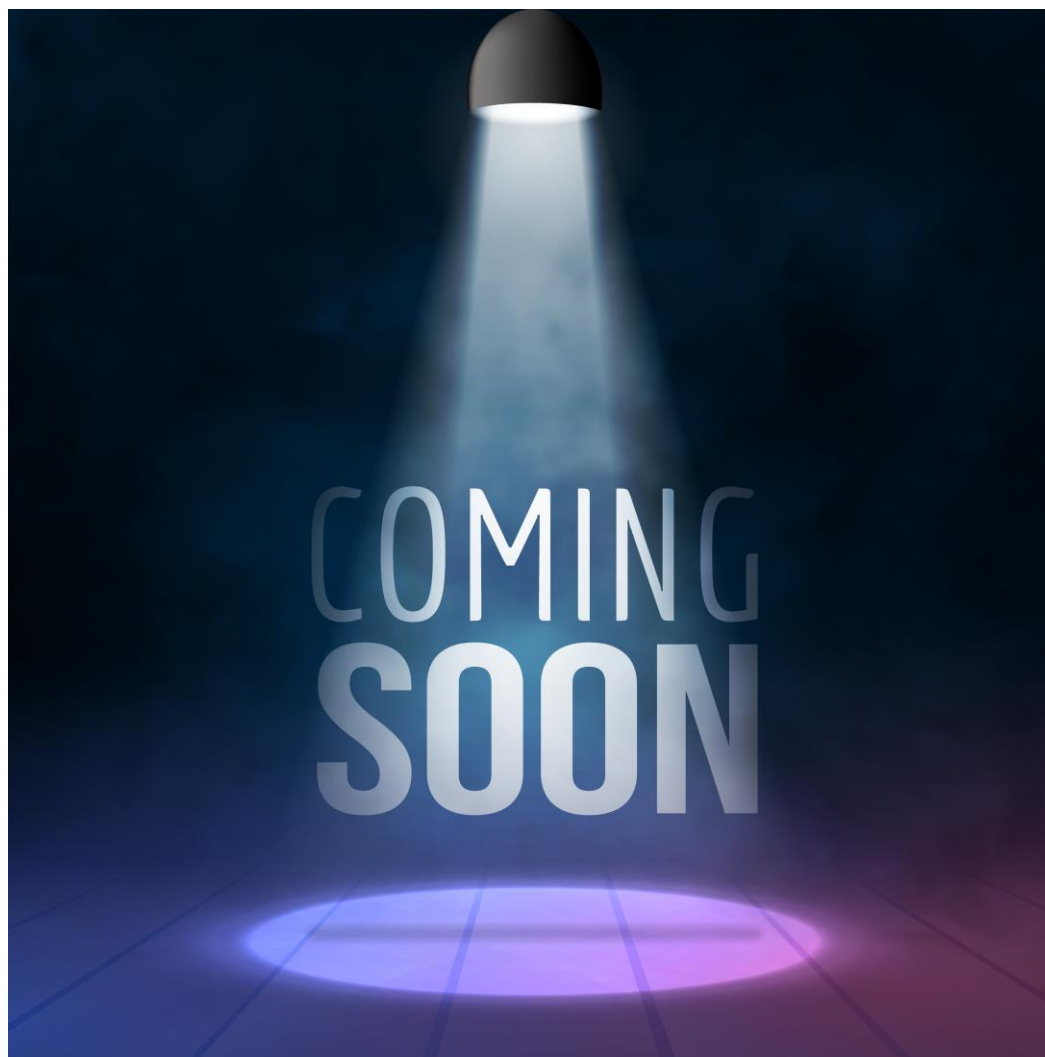

- **Online tool box for gender budgeting**
- **11 tools with guidelines, practical approaches and examples**
- **Ready in English later this year – language versions to follow**

Get ready - Gender Equality Index 2019

15 October 2019

Data talks – a new product

- **Short statistical briefs covering the latest data from our Gender Statistics Database**
- **Variety of topics - from women on boards to human trafficking**
- **Will be published throughout the year**
